A Great News Story

Since 2006, SIDIT has preserved the majority of the initial \$50 Million asset and invested nearly \$65 Million in projects worth nearly \$244 Million. SIDIT's overall economic impact is \$329 Million, creating and preserving almost 3500 jobs across the region.

SIDIT is providing long-lasting and measurable benefits to the people, communities and prosperity of the Southern Interior

Current Program Offerings:

- Community Investment
 - Grants to not for profits and municipalities
- Investment into promising commercial enterprises
 - Term Loans
- Education support - \$500 to \$2,500 per student through 6 Post Secondary Institutions, including:
 - College of the Rockies
 - Selkirk College
 - Okanagan College
 - UBC Okanagan
 - Thompson River University
 - Nicola Valley Institute of Technology
